Recitals

Chapter 74 of the 2019 Laws of Maryland amends Subtitle 16 {“Police Department”} of the Code of Public Local Laws of Baltimore City (“PLL”), being Article 4 of the Code of Public Local Laws of Maryland, requiring the Police Commissioner (the “Commissioner”) of the Police Department of Baltimore City (the “Department”) to “prepare a [redistricting] plan for the adjustment of the geographic boundaries and composition of each [police] district and the reallocation of the resources and personnel of the Department among the districts” following each decennial census. PLL, § 16-55(b).

The redistricting plan prepared by the Commissioner must utilize:

- (i) decennial census population and housing data of the United States Census Bureau;
- (ii) district call volume trends;
- (iii) district response times; and
- (iv) any other information deemed necessary by the Commissioner.

PLL, § 16-55(b)(1).

The Commissioner must present the redistricting plan to the Mayor and City Council “within 1 year from the issuance of the decennial census population and housing data by the United States Census Bureau”. PLL, § 16-55(b)(2).

The redistricting plan must be approved by a joint resolution of the Mayor and City Council within 180 days after the presentation of the redistricting plan. PLL, § 16-55(c). When approved by a resolution by the Mayor and City Council the plan is effective immediately.

1 Having evaluated the redistricting plan proposed by the Commissioner, the Mayor and the

5 City of Baltimore.
