Recitals

The revenue appropriated by this Ordinance represents income tax funds in excess of the revenue relied on by the Board of Estimates in determining the tax levy required to balance the budget for Fiscal Year 2023.

This additional revenue could not have been reasonably anticipated when the Ordinance of Estimates for Fiscal Year 2023 was formulated.

This appropriation is made necessary by a material change in circumstances since the Ordinance of Estimates for Fiscal Year 2023 was formulated or is for a new program that could not have been reasonably anticipated when that Ordinance of Estimates was formulated.

On December 21, 2022, the Board of Estimates recommended this appropriation to the City Council.

Section 1. Be it ordained by the Mayor and City Council of Baltimore, That \$500,000.00 shall be made available to the Mayor's Office of Information and Technology - PRJ002417 (922029 117-029 Citywide Cyber Security Systems Upgrade) as a Supplementary General Fund Capital Appropriation for Fiscal Year 2023, to provide funding for upgrading citywide cyber security systems. The source of revenue for this appropriation are income tax funds in excess of the amount from this source that was relied on by the Board of Estimates in determining the tax levy required to balance the budget for Fiscal Year 2023.

Section 2. And be it further ordained, That this Ordinance takes effect on the date it is enacted.
