The Baltimore City Health Department (BCHD) is pleased to have the opportunity to review Council Bill #20-0510, entitled, “Trauma-Informed Care Task Force Composition - Revisions and Clarifications.” The purpose of this legislation is to add two educators to the Trauma-Informed Care Task Force, and clarify that one appointed councilmember must have experience as a parent within the Baltimore City Public School System (BCPSS) and that any councilmember appointed with substantial experience as an educator within BCPSS shall be the co-chair of the Task Force.

BCHD anticipates no programmatic or fiscal impacts because of this bill’s passage. For this reason, BCHD takes **no position** on Council Bill #20-0510.
