DATE:

The Honorable President and  
Members of the City Council  
City Hall, Room 400  
100 North Holliday Street

February 25, 2019

The Department of Planning is in receipt of City Council Bill #19-0326, which is for the purpose of authorizing the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in the air rights area over a portion of the public right of way of the 4100 Block of Hillen Road and no longer needed for public use; and providing for a special effective date.

The Department of Planning recommends approval of City Council Bill #19-0326, as this will allow for a pedestrian bridge over Hillen Road for use specifically by students accessing Morgan State University, as well as the public generally.

If you have any questions, please contact Mr. Eric Tiso, Division Chief, Land Use and Urban Design Division at 410-396-8358.
