RE: Council Bill #08-0246

Dear Madame President:

We the Baltimore City Youth Commission strongly support Council Bill #08-0246 regarding "Enticing Minors" and believe that this bill will provide adequate safety measures for the youth of Baltimore. In addition, this measure will help build children's confidence and teach them how to respond to a potentially dangerous situation. Again, we thank you for the opportunity to voice our opinion and concerns challenging the youth of Baltimore.

Sincerely,

Samuel Burris
Chair
Baltimore City Youth Commission
