Re: City Council Bill 10-0599 – Franchise – Private Pedestrian Bridgeway
Over the 1500 Block of Presstman Street

Dear President and City Council Members:

The Law Department has reviewed City Council Bill 10-0599 for form and legal sufficiency. The bill would grant a franchise to the New Song Academy to construct, use and maintain a private pedestrian bridgeway above and across a portion of the 1500 block of Presstman Street right-of-way, connecting building on the north side of Presstman Street with an Academic and Community building to be constructed on the south side of Presstman Street, and provide for a special effective date.

The bill is in accordance with Article VIII of the Baltimore City Charter. The Law Department therefore approves City Council Bill 10-0599 for form and legal sufficiency.

Very truly yours,

Terese M. Brown
Assistant Solicitor
