

FREE SUMMER PROGRAMS

ELEMENTARY

Camp Curiosity (incoming pre-K & K)*

A fun, engaging STEAM-based summer program designed to help new students learn the structures, rules, and routines to be successful in school.

Great Kids Farm & Forest Camp (grades 3 to 5)*

Students will learn about nature and food systems in ways that connect to what they learned in science during the school year. Students will spend most of their time outdoors, exploring the 33 acres of forest, fields, and stream at the district-owned Great Kids Farm.

The Ingenuity Project Summer Academics (rising fifth-graders)*

Enrich your summer and spark your curiosity in STEM and advanced middle school programs!

MIDDLE SCHOOL PROGRAMS

Middle Grades Academic Recovery Program (grades 6 to 8)*

Academic recovery for English language arts and math with daily Social Emotional Learning (SEL) lessons and enrichment provided by Root Branch Media.

Middle Grades Access 2 Algebra (grades 6 to 8)*

Prepares students for STEM careers beyond high school.

Middle School Phys Ed Camp (grades 6 to 8)*

Physical activity enrichment with a focus on basketball and volleyball.

AileyCamp Baltimore (grades 6 – 8)*

A creative, active, supportive environment allowing participants to achieve new heights in dance. Through rigorous dance instruction and personal development, campers learn to strengthen their sense of self.

Register Now

ELEMENTARY/MIDDLE

Cadence Learning -NSSI (grades K to 8)*

Virtual math and ELA instruction with the program's best teachers.

Elev8 Freedom Schools (grades 2 to 8)*

Freedom Schools is a literacy-intensive summer experience, rooted in the civil rights movement. Freedom Schools uses an intra-generational servant leadership model to expose students to culturally affirming common core aligned literature.

CTY Baltimore Emerging Scholars Summer Program (grades 1 to 6)*

For students identified as gifted, advanced, talent development, or those who show signs of giftedness.

Summer Arts for Learning Academy (SALA) (Current Pre K-6 students only)**

An action-packed program that introduces students to a wide variety of art forms and gives students the opportunity to imagine, create, and express who they are through the arts.

Fine Arts Camp (grades K to 8)*

Students can engage in and explore music, visual arts, dance, and theater.

The Ingenuity Project Summer Academics (grades 6 to 8)*

Connect with classmates while you foster a love of learning in a fun, collaborative environment designed to enrich and engage minds in STEM activities and team building sessions.

* Not open to charter or contract school students.

Check with your

school to see what programming they are offering.

** Non-Title 1 Students may not attend

SUMMER PROGRAMS

HIGH SCHOOL PROGRAMS

High School Credit Recovery Program (grades 9 to 12)+
High School Credit Recovery will be offered (no original credit will be offered). Students can earn a stipend through Youthworks if successfully registered.

High School English Learners Program (grades 9 to 12) +
Designed to support English Learner students with interrupted education who are overaged and under-credited. Maximum of 2 courses.

APEX Credit Recovery Night School (grades 9 to 12) +
Students can recover up to 3 credits in the late afternoon/evening. This program prioritizes potential summer graduates.

AP Summer Academy (grades 9 to 12) +
This program will support City Schools students who will be taking an AP or Pre-AP course next year. College visits and college application/scholarship support will be available as well. Students can earn a stipend through Youthworks if successfully registered.

Fine Arts Camp (grades 9 to 12) *
Scholars will be exposed to a variety of fine arts opportunities in visual and performing arts, gaining exposure to assorted disciplines to strength their visual arts AP portfolio, hone leadership and music skills. Students can earn a stipend through Youthworks if successfully registered.

The Spanish Theatre Camp*

(Students from 1st to 12th grade who are "English Learners", Spanish speakers and/or native Spanish speakers)

The Theater Camp is designed for Spanish- and Spanish-speaking English Learners who have already mastered Spanish speaking and listening skills. During the 5 weeks of camp, participants will participate in activities focused on acting, pantomime, music, improvisation, dance, script development, and many other elements associated with group and individual performance. As a final product, participants are expected to create an original script, memorize lines, participate in theatrical movement exercises, all in preparation for a short performance in Spanish that will be presented to their friends, family and community members.

For more summer offerings, visit <https://www.baltimorecityschools.org/summerlearning>

Several schools will be hosting their own school-based summer program. Please check with your child's school for more details and to register

**Students who attend charter or contract schools should check with their school for eligibility to participate in this program or to find out if other similar programming is being offered by the school*

** Not open to charter or contract school students*
