Recitals

Ordinance 02-331 authorizes the City to issue from time to time its revenue obligations to finance water facilities within the geographical limits of the City's water system. The maximum aggregate principal amount of revenue obligations authorized to be outstanding, as of June 30 of each year, under Ordinance 02-331, as last amended by Ordinance 14-292, is \$2,152,000,000.

Certain recent events have occurred that affect aggregate principal amount of revenue obligations that may be required to finance water facilities, including (without limitation) an increase in the number of water facilities that the City may desire to finance with the proceeds of revenue obligations. The current means for calculating the revenue obligations outstanding does not take into account the repayment of prior revenue obligations thereby impairing the City's ability to issue new revenue obligations within the maximum amount authorized.

In addition, it is in the best interest of the City to amend and restate Ordinance 02-331 to authorize the Board of Finance to specify, prescribe, determine, provide for, approve, and amend, from time to time, the form, terms, provisions, manner or method of issuing and selling the revenue obligations (including negotiated as well as competitive bid sales), time or times of issuance, security for the revenue obligations, and all other details of the revenue obligations and other matters necessary or desirable in connection with the authorization, issuance, sale, and payment of the revenue obligations and to do all things necessary, proper, or expedient in connection with the issuance and sale of the revenue obligations.

16 ON FINANCED FACILITIES IN ANTICIPATION OF THE ISSUANCE OF THE REVENUE

11 and cancelled, or otherwise provided for.]

12 (e) The amount of any credit facility and of any revenue obligation issued to evidence the
13 indebtedness for borrowed money or the liability for that credit facility does not
14 reduce the maximum authorized amount of revenue obligations permitted to be issued
15 under this Ordinance.

16 (f) In connection with the issuance of capital appreciation revenue obligations,
17 compound interest revenue obligations, or similar types of revenue obligations, the

21 **obligations, or other indebtedness, including the payment of any redemption**
22 **premium on them;**

23 **(2) paying any redemption premium in connection with obligations being**
24 **refinanced or refunded from the proceeds of the refunding obligations;**

25 **(3) paying the costs of issuance of any series of refunding obligations; and**

26 **(4) funding any reserve funds for the Refunding Obligations, including reserves**
27 **for the payment of the refunding obligations and operating reserves (to the**

5 set forth in this Ordinance to be within its jurisdiction.
- 6 (b) The market for revenue obligations of the City may change from time to time, and it

- 10 (a) Before delivery of any series of revenue obligations, the Board of Finance [shall]
11 MUST adopt an Administrative Resolution.
- 12 (b) The Administrative Resolution [shall] MUST prescribe, subject to the Enabling Laws:

31 competitive bidding or by private negotiations. That determination [shall] MUST be set
32 forth in the Administrative Resolution for the issue or series to which it applies.

Council Bill 24-0593

1 **SECTION 8. AND BE IT FURTHER ORDAINED, That:**

16 notes or similar arrangements; and
- 17 (3) determine that the City should enter into a contract or agreement, payable from
18 operating revenues, intended to place revenue obligations on the interest rate,
19 currency, cash flow, or other basis desired by the Board of Finance, including any
20 interest rate swap agreement, currency swap agreement, forward payment conversion
21 agreement, or futures contract, any contract providing for payments based on levels
22 of, or changes in, interest rates, currency exchange rates, or stock or other indices, any
23 contract to exchange cash flows or a series of payments, or any contract, including an
24 interest rate floor or cap, or an option, put, or call, to hedge payment, currency, rate,

26 considers necessary or desirable.

27 **SECTION 10. AND BE IT FURTHER ORDAINED, That:**

29 obligations and, to the extent provided in the Administrative Resolution, the amounts
30 owed to the provider of any credit facility securing any revenue obligations:
- 31 (1) do not constitute, within the meaning of any constitutional or charter provision
32 or otherwise, an indebtedness of the City or any other political subdivision of
33 the State of Maryland or a charge against the general credit or taxing powers
34 of the City; and

Council Bill 24-0593

1 (2) may be paid solely from the following, in the order and manner that the Board
2 of Finance prescribes in the Administrative Resolution:

3 (i) operating revenues;

4 (ii) amounts in any funds pledged under the Administrative Resolution to
5 the payment of the revenue obligations, including any reserve fund
6 established by the Board of Finance for payment of the principal of,
7 premium (if any) on, and interest on the revenue obligations and any
8 investment earnings on those funds (to the extent provided by the
9 Board of Finance);

10 (iii) unexpended proceeds of the revenue obligations, including investment
11 earnings on those proceeds (to the extent provided by the Board of
12 Finance); and

13 (iv) other amounts legally available for these purposes.

14 (b) The issuance of revenue obligations does not constitute (directly, indirectly, or
15 contingently) an obligation, moral or otherwise, of the State of Maryland, of the City,
16 or of any other political subdivision of the State, to levy or pledge any form of
17 taxation whatever for their payment.

18 (C) RATES AND CHARGES OF THE WATER UTILITY MUST BE SET, ASSESSED, AND
19 COLLECTED IN ACCORDANCE WITH CITY PROCEDURES, THE CITY CHARTER, THE
20 ADMINISTRATIVE RESOLUTION, AND APPLICABLE LAW TO THE EXTENT DEEMED

23 SECTION 11. AND BE IT FURTHER ORDAINED, That:

24 (a) From the proceeds of the revenue obligations, from other funds of the water utility, or
25 from any other sources, the Board of Finance may establish one or more reserve funds
26 for the revenue obligations, including debt service reserve funds, which may be
27 pledged to the payment of the principal of, premium (if any) on, interest on, and
28 purchase price of one or more series of revenue obligations in the event that the
29 operating revenues for any year are insufficient to pay these items for that year.

30 (b) This section does not preclude the establishment of other reserve funds, the amounts
31 in which are not pledged to payment of revenue obligations, in connection with the
32 revenue obligations or any subordinate obligations of the water utility, including a
33 renewal and replacement fund, a rate stabilization fund, a residual fund, and an
34 operating reserve fund.

35 SECTION 12. AND BE IT FURTHER ORDAINED, That the City covenants that it will pay the
36 principal of, the premium (if any) on, and the interest on any revenue notes or refunding
37 revenue notes in the nature of bond anticipation notes from the first proceeds of refunding
38 revenue bonds issued under this Ordinance when, and as soon as, the reason for deferring
39 their issuance no longer exists and, in any event, in sufficient time to permit the revenue
40 obligations to be paid at maturity or extended maturity.

Council Bill 24-0593

1 **SECTION 13. AND BE IT FURTHER ORDAINED, That:**

- 2 (a) All revenue obligations and other agreements of the City under this Ordinance [shall]

5 [shall] MUST be printed or imprinted on the revenue obligations and attested by the
6 Custodian or Alternate Custodian of the City Seal, by manual or facsimile signature.
- 7 (b) If the Board of Finance finds that the nature of a transaction so requires, the Board
8 may establish in the Administrative Resolution a procedure whereby the Trustee, a
9 responsible trust company, or other authorized trustee, issuing agent, or paying agent
10 maintains an inventory of blank revenue obligations that have been previously
11 imprinted and signed and are available for delivery to purchasers under conditions
12 that require prompt action and delivery.

17 binding limited obligations of the City in accordance with their terms.

18 **SECTION 14. AND BE IT FURTHER ORDAINED, That:**

- 19 (a) The proceeds from the sale of revenue obligations [shall] MUST be paid to the Director

21 Laws, this Ordinance, and the Administrative Resolution. ALL PREMIUMS RESULTING
22 FROM THE SALE OF THE REVENUE OBLIGATIONS ISSUED AND SOLD PURSUANT TO THE
23 PROVISIONS OF THIS ORDINANCE MUST BE APPLIED AS DIRECTED BY THE BOARD OF
24 FINANCE.
- 25 (b) On presentation of the appropriate vouchers, as provided in the Administrative
26 Resolution, the Trustee or the City [shall] MUST pay from the proceeds of each series
27 of revenue obligations all costs of issuance. Nothing prevents the City from paying
28 any underwriting discount or placement fee payable in connection with any series of
29 revenue obligations by the underwriters' or placement agents' deduction of an amount
30 equal to the discount or placement fee from the offering price of the series of revenue
31 obligations.
- 32 (c) The Trustee [shall] MUST credit to a special account established under the
33 Administrative Resolution the amount, if any, of the proceeds of each series of
34 revenue obligations designated as capitalized interest on that series of revenue
35 obligations.
- 36 (d) Before the proceeds of any series of revenue obligations are expended, all or any part
37 of the proceeds may be invested by the Trustee, in accordance with the Administrative
38 Resolution and within any limitation and in the manner provided by law.

Council Bill 24-0593

1 (e) On presentation to the Trustee or the City of appropriate requests, as provided in the
2 Administrative Resolution, the Trustee [shall] MUST make payments from the
3 proceeds of any series of revenue obligations for any of the purposes specified in this
4 Ordinance and in the Administrative Resolution.

5 (f) If the funds derived from the sale of the revenue [notes or revenue bonds]
6 OBLIGATIONS exceed the amount needed (i) to refund any outstanding obligations of
7 the City to be refunded under the Administrative Resolution, [and] (ii) to finance the
8 financed facilities, (III) TO PAY COSTS OF ISSUANCE AND CAPITALIZED INTEREST, AND
9 (IV) TO FUND ANY RESERVES AND FOR ANY OTHER PURPOSES AUTHORIZED BY THE
10 ADMINISTRATIVE RESOLUTION, the funds so borrowed and not [expended] NEEDED
11 [for the public improvements authorized by this Ordinance] [shall] MUST be applied
12 as determined by the Board of Finance, under the terms and conditions set forth in the
13 Administrative Resolution, including to fund reserve fund deficiencies OR OTHER
14 RESERVES, if any, to pay principal of or interest on revenue obligations, to redeem or
15 purchase revenue obligations, or to pay for other capital projects of the water utility
16 within any limitation provided by law.

17 SECTION 15. AND BE IT FURTHER ORDAINED, That:

18 (a) The Board of Finance may take the actions and make the commitments on behalf of
19 the City described in this Section 15.

20 (b) The Board of Finance may determine and set forth the form, terms, provisions
21 (including redemption provisions and sinking fund requirements, if any), manner or
22 method of issuing and selling the revenue obligations (including negotiated or
23 competitive bid sale), time or times of issuance, security for the revenue obligations,
24 and all other details and other matters necessary or desirable in connection with the
25 authorization, issuance, sale, and payment of the revenue obligations.

26 (c) In conjunction with the prospective underwriters or placement agents, if any, for the
27 revenue obligations, the Board of Finance may prepare and distribute preliminary and
28 final official statements or placement memoranda or circulars as the Board of Finance
29 considers necessary or desirable. All preliminary official statements or placement
30 memoranda or circulars [shall] MUST be clearly marked to indicate that they are
31 subject to completion and amendment.

6 consolidation or other combination of the water utility, [and] the wastewater utility AND
7 THE STORMWATER UTILITY or any budgetary restructuring or interfund reorganization of
8 these utilities, so long as it is determined, in accordance with procedures set forth in the
9 Administrative Resolution, that the consolidation or combination will not impair the

23 the remaining provisions, sentences, clauses, sections, or parts of this Ordinance or their
24 application to other persons or circumstances. It is the intent of the Mayor and City
25 Council that this Ordinance would have been adopted even if the illegal, invalid,
