

MEMORANDUM

To: Nick J. Mosby, President, Baltimore City Council

From: Peter Little, Executive Director

Date: September 30, 2021

Subject: City Council Bill 21-0123

I am herein reporting on City Council Bill 21-0123 introduced by Council President Nick J. Mosby at the request of Baltimore City Department of Transportation.

The purpose of this bill is to grant a franchise to the State of Maryland (Maryland Transit Administration) to construct, use, and maintain an underground conduit and fiber optic cable at 6000 Metro Drive.

The Parking Authority of Baltimore City (PABC) has reviewed the proposed legislation. The legislation does not reference parking. A site visit was conducted during the month of September. PABC does not manage any programs in the area.

Based on the comments above, the PABC does not oppose the passage of City Council Bill 21-0123.
