 City Hall, Room 400
 100 North Holliday Street

December 3, 2019

The Department of Planning is in receipt of City Council Bill #19-0434, which is for the purpose of condemning and closing the air rights area over a portion of the public right of way of the 200 block of North Broadway, as shown on Plat 306-A-23A in the Office of the Department of Transportation; and providing for a special effective date.

The Department of Planning recommends approval of City Council Bill #19-0434. In their meeting of September 4, 2019, the Planning Commission approved an amendment to the Johns Hopkins South of Orleans Planned Unit Development (PUD) #117, as well as a Final Design Approval for the Skip Viragh Building at 201 North Broadway. That building, which has since been built, includes a bay of windows that projects over the eastern edge of the North Broadway right-of-way above the second floor level.
