RE: Council Bill No. 13-0229 – City Streets – Naming and Renaming Various Driveways in Druid Hill Park

This legislation will allow for a clearer, more logical roadway system for motorists and pedestrians to navigate through Druid Hill Park. The multiple single block street names will be consolidated to create more continuous park streets along Beechwood Drive, Swann Drive, Mansion House Drive, East Drive, Grove, Red Road, Mountain Pass, Shop Road, Hillway and Three Sisters Lane.

The Commission for Historical and Architectural Preservation (CHAP) **supports** this legislation because it will enhance the public's experience of the historically significant Druid Hill Park. We request the favorable review of the City Council.

Thank you for your consideration.

Cc: Ms. Angela Gibson, Mayor's Legislative Liaison to the City Council
