CITY of  
BALTIMORE  
**MEMO**

**TO**

DATE: April 21, 2011

The Honorable President and Members  
of the Baltimore City Council  
c/o Karen Randle  
Room 400 - City Hall

I am herein reporting on City Council Bill 11-0679 introduced by the Council President on behalf of the Administration (Department of General Services).

The purpose of the Bill is to condemn and open certain streets and alleys bounded by Reisterstown Road, Rogers Avenue, Gist Avenue and Hayward Avenue, as shown on Plat 254-A-40 in the Office of the Department of General Services.

Ordinance 06-257, the Planned Unit Development for Mondawmin Mall, created a new development plan to revitalize and modernize the shopping center. These plans include residential uses as permitted in the R-10 Zoning District along with other allowed B-2 and B-3 uses listed in the PUD for the area currently occupied by the Motor Vehicle Administration facility (MVA). Hilltop Center Limited Partnership, the owner of the Hilltop Shopping Center and several adjacent lots is planning an expansion of their shopping center. The expansion will include a new regional office for the MVA once their lease expires at the Mondawmin Mall. By consolidating certain lots and portions of street and alley beds with the Hilltop Shopping Center, the development site will be able to accommodate the new MVA facility, customer parking, and an MVA test track.

City Council Bill 11-0679 and companion legislation (City Council Bills 11-0680 and 11-0681), if approved, will allow for the opening, closing, and sale of the portions of street and alley beds needed for consolidation and development.

The following streets and alleys are proposed to be condemned and opened:

- An approximately 10 foot wide by 91 foot long alley located perpendicular to Tippet Avenue and to the rear of the properties known as 4026, 4028, 4030, and 4032 Lewiston Avenue;
- An approximately 15 foot wide by 85 foot long portion of Rockfield Avenue adjacent to the southerly property line of the property known as 5451 Tippet Avenue; and
- An approximately 12 foot wide by 100 foot long alley located perpendicular to Lewiston Avenue and bounded by the properties known as 4041 and 4045 Lewiston Avenue and 5341 and 5343 Hayward Avenue.
