Re: City Council Bill 19-0395 – Supplementary General Fund Operating
Appropriation – Fire Department – \$7,000,000

Dear President and City Council Members:

The Law Department has reviewed City Council Bill 19-0395 for form and legal sufficiency. The bill provides a Supplementary General Fund Operating Appropriation in the amount of \$7,000,000 to the Baltimore City Fire Department. The bill shall take effect on the date that it is enacted.

The City Charter establishes the criteria for making supplementary appropriations. City Charter, Art. VI, §8. Section 8(b) of Article VI of the City Charter permits such a supplementary appropriation to be made available to the appropriate municipal agency when funds become available that could not have been reasonably be anticipated when the Ordinance of Estimates for FY 19 was formulated. The supplementary appropriation must be recommended by the Board of Estimates and must be approved by the Mayor and City Council via an ordinance, which may only encompass a "single program, purpose, activity or project." See Sec. 8(c). The bill provides that the source of revenue as funds from Investment Earnings in excess of the revenue relied on by the Board of Estimates in determining the tax levy required to balance the budget for FY 19..

The Law Department approves this bill for form and legal sufficiency.

Sincerely yours,

Additional appropriations shall be permitted during the fiscal year only in the following circumstances and under the following conditions:

(1) Excess revenues.

Revenues from any source other than the full rate property tax and other taxes imposed under the authority of Article II, in excess of or in addition to those relied upon by the Board of Estimates in determining the tax levy required to balance the budget, may be made available for expenditure by the municipal agency responsible for the production of such revenues by a supplementary appropriation ordinance recommended to the City Council by the Board of Estimates, duly passed by the City Council by a majority vote of its members and approved by the Mayor.

(3) Material changes; new programs.

Further appropriations for programs included in the proposed Ordinance of Estimates made necessary by a material change in circumstances, or additional appropriations for new programs which could not reasonably be anticipated at the time of the formulation of the proposed Ordinance of Estimates may be made available to the appropriate municipal agency for expenditure by a supplementary appropriation ordinance recommended to the City Council by the Board of Estimates, duly passed by the City Council by a vote of three-fourths of its members and approved by the Mayor.
