TO

DATE: October 4, 2011

The Honorable President and  
Members of the City Council  
Room 400, City Hall

Attention: Ms. Karen Randle

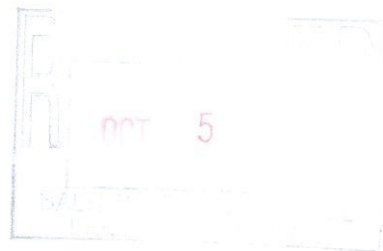

City Council Bill #11-0703 has been introduced for the purpose of authorizing the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in certain parcels of land known as the air rights over Orleans Street, 189.30 feet west of Wolfe Street that are no longer needed for public use; providing for a special effective date.

The sale of this property will allow for the construction of a pedestrian skywalk connecting the Johns Hopkins Children's Hospital Tower with an existing 4-story parking structure on the south side of the street. This skywalk will minimize foot traffic across a heavily traveled roadway as individuals cross from the parking structure to the hospital tower.

Based on the above findings, the Department of Finance has no objection to the passage of Council Bill 11-0703.
