Baltimore City Recreation & Parks (BCRP) has been referred City Council Bill 23-0448, for the purpose of amending the Urban Renewal Plan for Inner Harbor Project I; amending the Development Area Controls for certain development areas; amending the Land Use and Proposed Zoning exhibits to the Plan; waiving certain content and procedural requirements, making the provisions of this Ordinance severable; providing the application of this Ordinance in conjunction with certain other ordinances; and providing for a special effective date.

The Department of Planning (DOP) and the Baltimore City Planning Commission provide oversight of these proposed amendments. DOP has done extensive review of this legislation and the amendments proposed to the Urban Renewal Plan, which has been approved by the Planning Commission. We fully support DOP and the Planning Commission, therefore BCRP supports this legislation.
