TO

The Honorable President and Members
of the Baltimore City Council
c/o Karen Randle
Room 400 City Hall

I am herein reporting on City Council Bill 09-0361.

Sale of Property - the Former Beds of Two Portions of Penn Street

For the purpose of authorizing the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in certain parcels of land known as the former beds of two portions of Penn Street and no longer needed for public use; and providing for a special effective date.

The Department of Transportation has reviewed this bill and has no objections to its passage. The bill helps clear the way for the development of certain parcels in the University of Maryland Medical Complex(Shock Trauma). Air rights will be sold to the University to accommodate the expansion of the upper levels of the hospital and a heliport.

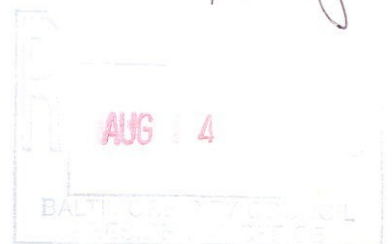

Respectfully,

ALFRED H. FOXX
DIRECTOR
