RE: ORDINANCE 12-0122

**PARKING**  
OF BALTIMORE CITY  
**AUTHORITY**

I am herein reporting on City Council Bill 12-0122 introduced by Councilmember Spector, at the request of Northwest Plaza Associates.

The purpose of the Bill is to approve certain amendments to the Development Plan of the Northwest Plaza Planned Unit Development.

The Baltimore City Parking Authority reviewed the amendments and determined that there would be no negative impact to parking in that area as a result of the passage of those amendments. The Parking Authority would make their staff readily available to other City agencies and/or work-groups on any parking activity within this Planned Unit Development.

Based on the above comments, the Baltimore City Parking Authority supports the passage of City Council Bill 12-0122.
