**BALTIMORE CITY COUNCIL  
PUBLIC HEARING ON  
BILL NO. 23-0413**

The Economic and Community Development Committee of the Baltimore City Council will meet on October 31, 2023 at 2:00 p.m. in City Council Chambers, 4th Floor, City Hall, 100 Holiday Street to conduct a public hearing on City Council Bill No. 23-0413.

**CC 23-0413 RESOLUTION OF THE MAYOR AND CITY COUNCIL – The Solid Waste Management Plan for Baltimore – Repeal and Replace – FOR the purpose of repealing the Solid Waste Management Plan for 2013-2023 that was adopted by Resolution 14-019, as amended by Resolution 15-025; adopting the Solid Waste Management Plan for 2024-2033; providing for a special effective date; and generally relating to the Solid Waste Management Plan for Baltimore City.**

State law (Environment Article § 9-603 and COMAR 24.03.03) requires each county and Baltimore City to adopt and maintain a comprehensive solid waste plan that covers at least the succeeding 10-year period and to periodically review, amend and revise the plan as needed. The plan to be considered for adoption would be for the period covering 2024 to 2033. Interested persons may attend the hearing. Written statements may be sent to Ms. Natawina Austin, Executive Secretary, Office of the City Council President, 100 Holiday Street, Baltimore, Maryland 21202.

**Summary of Plan:**

The Baltimore City 10 Year Solid Waste Management Plan (SWMP) is a regulatory plan submitted to the Maryland Department of Environment (MDE) to map operational needs, constraints, and improvements for waste management within the City for the next 10 years (2024-2033). The plan consolidates goals for managing the City's solid waste stream, assesses the existing solid waste collection systems and current and future disposal capacity needs. Many actions described in the SWMP reflect a transition towards zero waste principles, prioritizing the conservation of materials, circular economies, and greenhouse gas reduction.

The SWMP's Plan of Action includes:

- \* A roadmap for the City to achieve a recycling rate of at least 35% by implementing strategies to improve source reduction, donation, reuse, and diversion;
- \* Clearing and greening strategies focused on reducing littering and illegal dumping through community engagement and enforcement;
- \* Improvements to mixed reuse and recycling curbside collection, bulk waste pick-up and the small hauler program;
- \* Expansion of Baltimore City's waste processing capacity including recycling processing infrastructure (MRFs) and composting facilities;
- \* Plans to improve and expand Quarantine Road Landfill and increase the City's waste transfer capacity; AND
- \* Strategies to decrease the City's dependence on incineration.

**NOTE:** This bill is subject to amendment by the Baltimore City Council.

HONORABLE SHARON GREENE  
MIDDLETON, Chair  
Oct. 14 & 24 7515971

**LEGAL NOTICES**

**NOTICE TO APPEAL TO RECEIVERS DEBARRED FROM**  
October 14, 2013

**Bridge Play Frank Stewart**

"Millard is a sweet guy," North dealer NSV reflects. "He's got only one ace in the water. He said he had an ace, and I asked him whether it was inside or out. He went out the door, came back in and told me it was both."

Millard Fringe leads to get lost in the maze of bridge "rules." He was declarer at today's four hands, and West led the queen of clubs. Millard ruffed the second club and next led the queen of trumps high. East casually played low.

**SECOND TRUMP**  
"If Millard leads a second trump to dummy's jack," my friend said, "East wins and leads a third trump, and when he takes the king of spades, he creates the ace of clubs. Millard also loses a diamond for done one."

"That Millard went led a trump to the ace. He ruffed the king of clubs and wound up losing a trump, a spade and a club."  
"Well defended, well played," I said. "But I wonder why Millard didn't finesse in trumps again."  
"He told me he knew East had the king --- because West would have covered an honor."

**DAILY QUESTION**  
You hold: ♠ K Q 5 4 ♣ K 5 4 ♦ A 8 7 ♣ The dealer, at your left, opens one diamond. Your partner doubles, and the next player bids two diamonds. What do you say?  
**ANSWER:** Partner has opening values or more with help for the undealt suits. His hand seems to be short in diamonds, hence your hands may produce game with fewer than 26 high-card points. Jump to three spades to invite. You would bid two spades if your King of spades were a four spade.
