A COUNCIL RESOLUTION CONCERNING

In Celebration of Black History Month

1
2 FOR the purpose of joining the annual celebration of the achievements of black Americans,
3 recognizing the central role of African Americans in U.S. history, and highlighting the varied
4 inspirational and educational events available to residents of, and visitors to, Baltimore City
5 to commemorate the celebration of Black History Month.

Recitals

6
7 In proclaiming February 2011 as National African American History Month, the President of
8 the United States quoted the great abolitionist and orator Frederick Douglass, “If there is no
9 struggle there is no progress”, reflecting that progress in America has not come easily but has
10 resulted from the collective efforts of generations, noting that for centuries African American
11 men and women have persevered to enrich our national life and bend the arch of history toward
12 justice.

13 The President remarked that this year’s theme “*African Americans and the Civil War*”
14 invites reflection on 150 years since the start of the Civil War and on the patriots of a young
15 country who fought for the promises of justice and equality laid out by our forebears. In the
16 Emancipation Proclamation, President Abraham Lincoln not only extended freedom to those still
17 enslaved within rebellious areas, he also opened the door to African Americans to join the Union
18 effort.

19 Baltimore City residents can particularly relate to this year’s theme because of our city’s
20 unique place in history as spotlighted by *VisitBaltimore’s* Civil War 150: The Baltimore
21 Commemoration, April 15-17, 2011 – “Patriotism, honor, slavery and civil liberties, these were
22 the issues that Marylanders faced in 1861. Baltimore, a divided city in a divided state in a
23 divided nation, witnessed the first bloodshed in a conflict that gave America a “new birth of
24 freedom.”

25 The Commemoration includes the recitation of historical events and visits to historical
26 places, such as the rerouting of President Lincoln from the Calvert Street Station to President
27 Street to foil an assassination plot, the Pratt Street Riot, the Camden Station stop for President
28 Lincoln on his way to deliver the Gettysburg Address, and the 1865 stop of his funeral
29 procession on the way to Springfield, Illinois, Federal Hill, Fort McHenry, Fell’s Point, the USS
30 Constellation, Patterson Park, Mount Vernon Place, the B& O Museum, the graves and
31 monuments of Civil War soldiers, and famous and infamous figures in the history of the Civil
32 War.

EXPLANATION: Underlining indicates matter added by amendment.
