MEMORANDUM

To: The Honorable President and Members of the City Council
c/o Natawna Austin, Executive Secretary

From: Janet Abrahams, Chief Executive Officer *JA*

Date: December 14, 2021

Subject: City Council Bill 21-0102 – Building Permits – Disposal Plan Requirement

Position: No position

This proposed bill requires certain holders of permits issued by the Department of Housing and Community Development to submit a disposal plan with the permit application; requiring permit holders to submit proof of disposal to the Department within a certain period of time after the permit work has concluded; establishing a certain citation amount; and generally relating to requiring permit holders dispose of waste and refuse in a proper and legal manner

Conclusion:

The proposed bill will have minimal impact on the Housing Authority of Baltimore City (HABC), as the agency has a disposal plan in place for work performed under permit. HABC uses a licensed Disposal Vendor for dumpster or roll-off services to dispose of all debris to a landfill, and we are provided documented proof that waste and refuse have been properly disposed.

For the reason stated above, The Housing Authority of Baltimore City has no position on City Council Bill 21-0102.
