MEMORANDUM

To: The Honorable President and Members of the Baltimore City Council
c/o Natawna Austin, Executive Secretary

From: Paul T. Graziano, Commissioner

Re: **City Council Bill 16-0674 - Transit and Traffic – No Camper or
Mobile Home Parking on Residential Streets**

The Department of Housing and Community Development (HCD) has reviewed City Council Bill 16-0674, for the purpose of prohibiting extended parking, standing, or stopping of camping trailers, mobile homes, motor homes, or travel trailers on residential streets; providing certain exceptions; setting certain penalties; and generally relating to the parking, standing, and stopping of camping trailers, mobile homes, motor homes, or travel trailers on City streets.

If enacted, this bill would increase the availability of on-street parking spaces in neighborhoods by limiting the amount of time on-street parking spaces can be occupied by large types of trailers.

The Department of Housing and Community Development respectfully defers to the Department of Transportation and the Parking Authority on the passage of City Council Bill 16-0674.
