Re: City Council Bill #10-0522 – Required Parking for Bicycles

Ladies and Gentlemen:

City Council Bill # 10-0522 has been referred by your Honorable Body to the Board of Municipal and Zoning Appeals for study and report.

The purpose of this legislation is to establish standards and requirements to provide bicycle parking spaces for certain new or expanded structures, premises, and uses; defining and redefining certain terms; imposing certain penalties; and allowing for variances by the BMZA.

The Board of Municipal & Zoning Appeals has reviewed this legislation and the Planning Commission's recommendation and concurs that City Council Bill #10-0522 be amended and passed by the City Council.

Sincerely,

David C Tanner
