Restoring 911 as an Efficient and Responsive Public Safety Partner Upon Which Baltimore City Callers Can Confidently Rely for Help FOR the purpose of calling upon the City Administration and Baltimore Police Department to immediately restore 911 operators and dispatchers as public safety employees with the Baltimore Police Department; to cross-train operators and dispatchers so that both groups can handle either position; and to provide adequate staffing and sufficient management to avoid busy signals, delayed dispatch of crimes in progress, and other current miscommunications which have negatively affected citizen confidence in a 911 system on which our calls for help and very lives depend.
