Re: City Council Bill No. 12-0152 TransForm Baltimore - Zoning

Ladies and Gentlemen:

City Council Bill No. 12-0152 has been referred by your Honorable Body to the Board of Municipal and Zoning Appeals for study and report.

The purpose of City Council Bill No. 12-0152 is to establish a new Zoning Code for Baltimore City.

The BMZA supports the City Council's effort to introduce a new, modernized Zoning Code in light of the antiquated nature of the current Code. The BMZA recognizes the significance and implications of the new and revised provisions of the Code, and, therefore, plans to address those issues at subsequently scheduled hearings before the City Council.

Sincerely,

David C. Tanner
Executive Director
