SUMMARY

October 4, 2012

Thomas J. Stosur
Director

1. ROLL CALL
2. APPROVAL OF MINUTES
3. MINOR AMENDMENT AND FINAL DESIGN APPROVAL/ MONTGOMERY PARK BUSINESS CENTER PUD – 7-ELEVEN STORE AND GAS STATION – 1769 WASHINGTON BOULEVARD (Tenth District)

(Postponed to October 18, 2012)

4. CITY COUNCIL BILL #12-0123/ BUILDING, FIRE, AND RELATED CODES – 2012 EDITION (City Council President – Administration)
For the purpose of adopting a revised Building, Fire, and Related Codes Article, comprising the Maryland Building Performance Standards (effective January 1, 2012), the International Building Code (2012 Edition), the International Electrical Code (2011 Edition), the International Fuel Gas Code (2012 Edition), the International Mechanical Code (2012 Edition), the International Plumbing Code (2012 Edition), the International Property Maintenance Code (2012 Edition), the International Fire Code (2012 Edition), the International Energy Conservation Code (2012 Edition), and the International Residential Code for One- and Two-Family Dwellings (2012 Edition), all as supplemented, amended, or otherwise modified by this Ordinance; providing for the effect, construction, and effective date of these new standards and codes; conforming, correcting, and clarifying certain language; and generally relating to the adoption of new building, fire, property maintenance, electrical, plumbing, mechanical, and related codes for Baltimore City. (Citywide)

Periodic Update: A new version of the International Building Code (IBC) is written and released every three years. The update is then adopted into State law under the Maryland Building Performance Standards (MBPS). As most recently made effective, dated January 1, 2012, these Standards consist of three parts: the 2012 IBC, the 2012 International Residential Code for One- and Two-Family Dwellings, and the 2012 International Energy Conservation Code. After adoption at the State level with their modifications, local jurisdictions may then adopt the same Standards – either in whole or in parts, and with local modifications.

Recommendation: Approval

5. CITY COUNCIL BILL #12-0108/ REZONING – 1101 NORTH PATTERSON PARK AVENUE (Councilmember – Warren Branch)
For the purpose of changing the zoning for the property known as 1101 North Patterson

Park Avenue, as outlined in red on the accompanying plat, from the R-8 Zoning District to the B-2-2 Zoning District. (Thirteenth District)

This bill would rezone an end-of-row building at the northeast corner of Patterson Park Avenue and Chase Street from residential to commercial. The bill was requested by a private club which desires to use the building; although their use would be allowed in the R-8 zone, the property has insufficient lot area to qualify for the purpose. The proposed B-2 zoning would effectively remove the lot area requirement now applying to the property. Because there have not been sufficient changes in the block or the neighborhood that rise to the level required by Article 66-B of the Maryland Code, and as there is no evidence that the original 1971 zoning of this property was a mistake, staff recommends disapproval of this bill.

Staff notified the Middle East Truth and Reconciliation Community Council, HEBCAC, EBDI, the property owner, and the Councilman of this action.

Recommendation: Disapproval

6. CITY COUNCIL BILL #12-0118/ REZONING – 2719 ASHLAND AVENUE
(Councilmember – Warren Branch)

For the purpose of changing the zoning for the property known as 2719 Ashland Avenue, as outlined in red on the accompanying plat, from the R-8 Zoning District to the B-1-1 Zoning District. (Thirteenth District)

(Postponed to October 18, 2012)

REQUEST: Baltimore City Landmark Designation / Equitable Society-21 N. Eutaw Street

RECOMMENDATION: Approval

STAFF: Melvin Hicks

PETITIONER(s): Commission for Historical and Architectural Preservation (CHAP)

OWNER: Bill Carr, 21 N. Eutaw LLC

SITE/GENERAL AREA

Site Conditions: The property is improved with a two story, front-gabled brick Italian Renaissance building.

General Area: The Baltimore Equitable Society Building is located on the southeast corner of Fayette and Eutaw Streets.

HISTORY

There are no previous legislative or Planning Commission actions regarding this site.

CONFORMITY TO PLANS

This action is consistent with the City of Baltimore's Comprehensive Master Plan, with respect to protecting and enhancing the preservation of Baltimore's historic buildings and neighborhoods.

ANALYSIS

On March 13, 2012, CHAP Commission recommended approval of a bank building known as The Baltimore Equitable Society Building, for designation as a Baltimore City Landmark. The Baltimore Equitable Society building is highly significant to Baltimore historic and architectural heritage. Built first as a bank in 1857 for the Eutaw Savings Bank of Baltimore by architect Joseph F. Kemp and the builders were Gardner & Matthews. The building is an excellent example of the Italian Renaissance Revival style, a style that was once common in the city. It is also significant due to its association with events that have contributed to Baltimore history. After more than thirty years at this location, the Eutaw Savings Bank constructed an even grander building directly across the street and moved into that building in 1889. The city's first fire insurance company, the Baltimore Equitable Society, moved into this building the same year,

where it remained until 2003. The company has insured City residents since 1794 and is associated with events such as the Great Fire of 1904. The building has been home to two restaurants since, and the current restaurant, Alewife, has been in this building since 2010.

The Baltimore Equitable Society Building qualifies for landmark designation meeting the following standards:

1. Is associated with events that have made a significant contribution to the broad patterns of Baltimore history
3. Embodies the distinctive characteristics of a type, period, or method of construction, or that represent the work of a master, or that possess high artistic values, or that represent a significant and distinguishable entity whose components may lack individual distinction

Staff has notified the following of this action: Downtown Partnership, Baltimore Heritage, Baltimore AIA Chapter, Baltimore City Historical Society, Preservation Maryland and City Council Repetitive.
