RE: Council Bill 17-0144

PARKING
OF BALTIMORE CITY
AUTHORITY

I am herein reporting on City Council Bill 17-0144 introduced by Councilmembers Clarke, Bullock, Pinkett, Cohen, Reisinger, Stokes, Middleton, Schleifer, Henry, Costello and President Young.

The purpose of this bill is for requiring that the City grant a 50% discount for City services and equipment used to support a nonprofit event; creating certain exceptions and exemptions; and generally related to the provision of City support to nonprofit events.

The Parking Authority of Baltimore City (PABC) reviewed the proposed legislation. With the inclusion of §37-2, the PABC has determined that the legislation does not have any negative impact on the Authority and its mission.

Based on the comments above, the Parking Authority of Baltimore City does not oppose the passage of City Council Bill 17-0144, as written.
