RE: Council Bill 13-0268

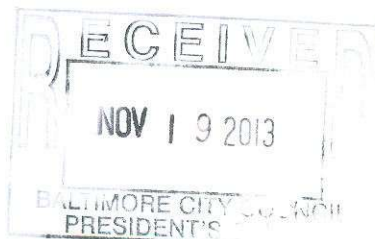

**PARKING**  
OF BALTIMORE CITY  
**AUTHORITY**

I am herein reporting on City Council Bill 13-0268 introduced by Councilmembers Reisinger and Curran at the request of CBAC Borrower, LLC.

The purpose of this bill is to amend the definition of "video lottery facility" to include associated parking facilities located on adjacent lots; and amending the sign regulations to establish specific regulations for signs for video lottery facilities.

The Parking Authority of Baltimore City reviewed the proposed legislation and has no comment about the proposed amendments. Regulation and Enforcement of Zoning Code §11-416 does not fall under the purview of our agency. Additionally, the amendments proposed for Zoning Code §11-417 do not affect or alter sign requirements for special-event parking lots, thereby making the proposed amendments innocuous to our operations.
