REQUEST: City Council Bill #09-0312/ Naming the Pavilion in Clifton Park to be the Councilwoman Rita R. Church Pavilion and Recreation Center

RECOMMENDATION: Approval

STAFF: Melvin Hicks

PETITIONER(s): City Council

OWNER: Mayor and City Council of Baltimore

SITE/GENERAL AREA

Site Conditions: The pavilion and recreation center is located in Clifton Park, in the vicinity of Saint Lo Drive and Sinclair Lane. Adjacent to the pavilion and recreation center are a playground facility and swimming pool. The area is buffered by a mature forest to the north.

General Area: The pavilion and recreation center site is located in the eastern district of Baltimore City and is bounded by Saint Lo Drive and Sinclair Lane.

HISTORY

There are no previous legislative or Planning Commission actions regarding this site.

CONFORMITY TO PLANS

This action is consistent with the City of Baltimore's Comprehensive Master Plan, with respect to the enhancement of Baltimore's history and culture.

ANALYSIS

This bill would name the pavilion and recreation center on the corner of Saint Lo Drive and Sinclair Lane, located in Clifton Park, to be the Councilwoman Rita R. Church Pavilion and Recreation Center. Mrs. Church was a long-standing community activist and leader. She served on the Baltimore City Council and was a member of the Baltimore City Planning Commission.

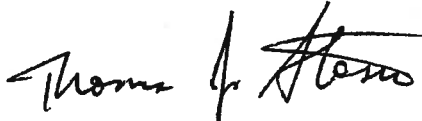

The late Rita R. Church was born in Baltimore, Maryland, on February 2, 1936. Mrs. Church received her education in the Baltimore Catholic School System. She attended the historic St.

Francis Academy and was a life-long member of historic St. Francis Xavier Catholic Church until she departed life on February 21, 2009.

Mrs. Rita Church worked as a claims clerk for the Social Security Administration for 23 years where she received numerous merit awards and certificates of service. She retired from the Social Security Administration in 1994. In 1996, she was appointed to the Baltimore City Council, representing the Third Councilmanic District until she retired in 1999. She also served as a member of the Baltimore City Planning Commission for four years, between 2002 and 2006. Additionally she served as a member of the Maryland State Central Committee. Because of her love for her community and the City of Baltimore, Mrs. Church received numerous community service awards and certificates for her efforts.

She was a member of the Coldstream-Homestead Montebello Community Organization where she served as a member of the board for many years and worked diligently to improve the quality of life for all in the community. Because of her influence on this community, she was sometimes called "Mayor of Coldstream-Homestead Montebello. Mrs. Church was also a member and officer of the Quality of Life Community Outreach Program and treasurer of Adopt-A-House Corporation. The Department of Planning recognizes the many outstanding contributions that Councilwoman Rita Church made to the City of Baltimore. Therefore staff strongly believes that it would be a fitting tribute to name the pavilion and recreation center in Clifton Park, the Councilwoman Rita R. Church Pavilion and Recreation Center.

Staff notified family members, Department of Recreation and Parks, City Council Representative, Coldstream-Homestead Montebello Community Organization, and the New South Clifton Park Community Association of this action.

3. FY 2014 -2019 CAPITAL IMPROVEMENT PROGRAM

The FY 2014-19 CIP was presented to the Planning Commission on February 14, 2013. The Department of Planning is requesting that the Commission approve the six-year plan with an estimated cost of \$ 5.6 billion. The first year or budget year, FY 2014, becomes the basis for the capital component of the Ordinance of Estimates, adopted by the City Council. Staff is recommending projects with an estimated cost of \$ 1.16 billion for FY 2014.

Recommendation: Approval

4. BALTIMORE CITY LANDMARK DESIGNATION/HAVEN STREET FACTORY – 101 NORTH HAVEN STREET

On February 12, 2013 the CHAP Commission reviewed and recommended approval for Baltimore City Landmark designation for the Haven Street Factory. Haven Street Factory, a brick industrial building, was constructed in 1903 and 1904 for the Steiner Mantel Company in an industrial section of what was then BaltimoreCounty. It was originally used as a factory for fireplace mantels, wood veneer, and furniture, contributing to Baltimore’s large wood products industry in the early 20th century. In the mid-20th century, the factory contributed to Baltimore’s food processing and shipping as a canning factory, a paper box factory, and later served as a warehouse for Esskay, the meat-packing company. The building’s close proximity to rail, shipping, and truck routes made this a prime location for manufacturing throughout the 20th century. Haven Street Factory’s history reflects the broad patterns in Baltimore’s manufacturing heritage.

Staff has notified of this action, 2nd District City Councilman Brandon M. Scott, Baltimore Heritage, Baltimore AIA Chapter, Baltimore City Historical Society, Preservation Maryland, Baltimore-Highland Community Association, Inc., Brewer's Hill Community Association, Eastern Community Action Center, Highlandtown Arts and Entertainment District, Southeast Community Development Corporation, Southeast Presidents' Council, and Southeastern District Police Community Relations Council.
