MEMO

TO

DATE:

December 29, 2008

The Honorable President and
Members of the City Council
Room 400, City Hall

Attention: Ms. Karen Randle

City Council Bill #08-0231 would prohibit smoking on or adjacent to hospital premises and impose a civil fine of \$50 for each offense.

The Finance Department does not oppose passage of this bill. Since there is not any prior history of revenue collected from the proposed violation it is impossible at this time to predict what, if any, additional revenue the City would receive from any civil fines.
