21 A history of redlining, block busting, population loss, and disinvestment in
22 Baltimore City has resulted in approximately 13,000 vacant properties currently
23 existing, and the solution to this problem has evaded the Mayor and City Council
24 of Baltimore (the “City”) for the last fifty or more years.

Council Bill 24-0595

1 On December 11, 2023, the Mayor, the Greater Baltimore Committee, and
2 Baltimoreans United in Leadership Development (BUILD) announced and
3 committed to proceeding with a plan pursuant to which the City will
4 comprehensively address vacant and abandoned housing units over a 15 year
5 period.

6 The City plans to address the current problem through strategic public investment
7 in 37,500 “must address” properties, with a pathway to public investment in
8 45,000 properties as needed. The City will use a “Whole Blocks” and “Whole
9 Neighborhoods” approach that repairs broken housing markets, addressing vacant
10 houses, empty lots, and other at-risk properties on blocks identified for
11 redevelopment and pursuing a development strategy that is data-driven,
12 community led, and based on deep market knowledge. The City expects to
13 generate a minimum of three billion dollars in public investment over 15 years
14 through a combination of funding from the City, the State of Maryland, and other
15 private investment.

16 The Tax Increment Financing Act, Article II, Section (62) of the Baltimore City
17 Charter (the “Tax Increment Financing Act”), authorizes the Mayor and City
18 Council of Baltimore (the “City”) to establish a “development district” (as defined
19 in the Tax Increment Financing Act) and a special, tax increment fund into which
20 the revenues and receipts from the real property taxes representing the levy on the
21 “tax increment” (as defined in the Tax Increment Financing Act) for the
22 development district are deposited for the purpose of providing funds for the
23 development of the development district.

24 The Tax Increment Financing Act also authorizes the City, subject to certain
25 requirements, to borrow money by issuing and selling Bonds (defined herein) for
26 the purpose of financing and refinancing the development of a residential,
27 industrial, or commercial areas in Baltimore City. The Tax Increment Financing
28 Act provides, however, that no Bonds may be issued by the City until an
29 ordinance is enacted that (i) designates an area or areas within the City as a
30 “development district” and (ii) provides that, until the Bonds have been fully paid,
31 the property taxes on real property within the development district shall be
32 allocated as provided in the Tax Increment Financing Act.

33 As part of this strategic investment, the City wishes to establish a development
34 district within Baltimore City and to establish a special, tax increment fund for
35 that development district for the purpose of providing funds to finance the
36 renovation of vacant housing in Baltimore City into Affordable Housing (defined
37 herein) and the costs of public infrastructure improvements and other related costs
38 permitted by the Tax Increment Financing Act, including, without limitation, the
39 costs of the Project (defined herein) and other related infrastructure
40 improvements.

Council Bill 24-0595

1 A portion of the bond proceeds will be made available to homeowners or
2 developers in the form of grants in order to transform vacant houses to new
3 housing for income-eligible households while another portion of the bond
4 proceeds will be used to construct public infrastructure within the Development
5 District and benefitting the communities making up the Development District. A
6 majority of such funds will be used to construct or otherwise finance Affordable
7 Housing.

31 designated as described in Exhibit 1 attached hereto and made a part hereof (as the same may be
32 renumbered or redesignated as a result of any subdivision or resubdivision of such property),
33 together with the adjoining roads, highways, alleys, rights-of-way and other similar property, as
34 generally depicted on the map in Exhibit 2 attached hereto and made a part hereof is designated
35 as a development district to be known as the “City-Wide Affordable Housing Development
36 District.”

38 Development District to be known as the “City-Wide Affordable Housing Development District
39 Tax Increment Fund”. The Director of Finance and other officers and employees of the City
40 shall take all necessary steps to establish the Tax Increment Fund as a separate fund to be held by
41 or for the account of the City.

Council Bill 24-0595

SECTION 5. AND BE IT FURTHER ORDAINED, That:

(a) For each tax year that begins after the effective date of this Ordinance, the Director of Finance shall divide the property taxes on real property within the Development District so that:

(1) the portion of the taxes that would be produced by the rate at which taxes are levied each year by the City upon the original taxable value shall be allocated to and, when collected, paid into the funds of the City in the same manner as taxes levied and collected by the City on all other property are paid; and

(2) the portion of the taxes representing the levy on the Tax Increment that would normally be paid to the City shall be paid into the Tax Increment Fund, to be applied in accordance with the provisions of this Ordinance, the Bond Ordinance, the Tax Increment Financing Act, and any applicable Indenture.

(b) The City acknowledges that neither the rate at which taxes are levied on real property within the Development District nor the manner of assessment of the value of real property within the Development District may vary from the rate or manner of assessment that otherwise would have applied if the Development District were not designated and the Tax Increment Fund not created.

SECTION 6. AND BE IT FURTHER ORDAINED, That:

(a) If no Bonds are outstanding with respect to the Development District, money in the Tax Increment Fund may be:

(1) used for any other purposes described in the Tax Increment Financing Act, including the payment or reimbursement of costs of the Project;

(2) accumulated for payment of debt service on Bonds to be subsequently issued under the Tax Increment Financing Act;

(3) used to pay or reimburse the City for debt service or other related costs that the City is obligated to pay or has paid (whether as a general or limited obligation of the City) with respect to any Bonds issued by the City, the proceeds of which have been used for any of the purposes specified in the Tax Increment Financing Act; or

(4) paid to the City to provide funds to be used for any legal purpose.

(b) In the case of Sections 6(a)(2) and (a)(3) above, the use must be approved by appropriate action of the Mayor and City Council, and in the case of Sections 6(a)(1) and (a)(4) above, the use must be approved by the appropriate action of the Board of Finance, which action may generally specify the purpose for which the Tax Increment Fund may be used and the maximum amount that may be applied for that purpose, without specifying the actual amounts to be applied.

Council Bill 24-0595

SECTION 7. AND BE IT FURTHER ORDAINED, That:

(a) If any Bonds are outstanding with respect to the Development District, money in the Tax Increment Fund may be used in any fiscal year as provided in Section 6 of this Ordinance and in any Indenture authorizing the issuance of such Bonds, but only to the extent that:

(1) the amount in the Tax Increment Fund exceeds the debt service payable on such Bonds, the amounts necessary to replenish any reserve fund or funds established for Bonds, and to pay any City Expenses and administrative costs in that fiscal year, and is not otherwise restricted so as to prohibit its use; and

(2) the use is not prohibited by the ordinance authorizing the issuance of the Bonds or the pledge of amounts on deposit in the Tax Increment Fund to the payment of principal of and interest on the Bonds.

(b) In each case, the use must be approved by appropriate action of the Board of Finance, which action may generally specify the purpose for which the Tax Increment Fund may be used and the maximum amount that may be applied for that purpose, without specifying the actual amounts to be applied.

SECTION 8. AND BE IT FURTHER ORDAINED, That the Director of Finance may do all acts and things and execute all documents and certificates relating to the Development District and the Tax Increment Fund.

SECTION 9. AND BE IT FURTHER ORDAINED, That any approvals, authorizations, or activities provided in this Ordinance do not constitute and may not be deemed to constitute or imply that the City Council, the Mayor, or any department, office or agency of the City has given or will give, any approval, authorization, or consent to any action or activity within or required for the development of the Development District, including any land use approval, requirements for the provision of public utilities or services, or any other administrative, judicial, quasi-judicial, or legislative approval, authorization, consent, or any necessary amendments to underlying zoning laws and maps, urban renewal plans, Planned Unit Developments or Master Plans required to develop the Project.

SECTION 10. AND BE IT FURTHER ORDAINED, That this Ordinance may be amended by a subsequent ordinance of the Mayor and City Council of Baltimore, which ordinance may enlarge or reduce the size of the Development District. However, no ordinance may be effective to reduce the size of the Development District so long as there are any outstanding Bonds secured by the Tax Increment Fund unless the ordinance authorizing the issuance of the Bonds permits the City to reduce the area constituting the Development District, the holders of such Bonds or an authorized representative on their behalf consents to the reduction, or the indenture authorizing such Bonds permits the reduction.

Council Bill 24-0595

1 **SECTION 11. AND BE IT FURTHER ORDAINED,** That the provisions of this Ordinance are
2 severable. If any provision, sentence, clause, section, or other part of this Ordinance is held or
3 determined to be illegal, invalid, unconstitutional, or inapplicable to any person or circumstances,
4 that illegality, invalidity, unconstitutionality, or inapplicability does not affect or impair any of
5 the remaining provisions, sentences, clauses, sections, or parts of this Ordinance or their
6 application to other persons or circumstances. It is the intent of the Mayor and City Council that
7 this Ordinance would have been passed even if the illegal, invalid, unconstitutional, or
8 inapplicable provision, sentence, clause, section, or other part had not been included in this
9 Ordinance, and as if the person or circumstances to which this Ordinance or part are inapplicable
10 had been specifically exempted.

11 **SECTION 12. AND BE IT FURTHER ORDAINED,** That this Ordinance takes effect on the date it
12 is enacted.
