Re: City Council Bill No. 10-0500 Zoning Legislation - Amendments

Ladies and Gentlemen:

City Council Bill No. 10-0500 has been referred by your Honorable Body to the Board of Municipal and Zoning Appeals for study and report.

The purpose of this legislation is to exempt from the requirement for rehearing an amended zoning legislation if the amendment consists only of a change in punctuation, grammar, or spelling or otherwise does not in any way alter the substance of the ordinance; providing for a special effective date; and generally relating to legislative authorizations and amendments.

The Board of Municipal and Zoning Appeals has reviewed this legislation and has no objection to the passage of City Council Bill No. 10-0500.

Sincerely,

David C. Tanner
Executive Director
