19 compliance with § 12-105.1 of the Real Property Article of the Annotated Code of Maryland, to
20 extend the life of the Plan, and to remove certain properties from the list of Exhibit B.

21 Under Article 13, § 2-6 of the Baltimore City Code, no change may be made in any approved

REQUEST: Review and Response to City Council Bill: City Council Bill 18-0244: Urban Renewal-Oliver - Amendment

RECOMMENDATION: CHAP has no objection to the amendment and defers to Planning.

STAFF: Stacy Montgomery

PETITIONER(S): Introduced by the Council President at the request of the Administration

SUMMARY: City Council Bill 18-0244 proposes to the Oliver Urban Renewal Plan to reauthorize the acquisition of properties within the Project Area.

SITE/HISTORIC DISTRICT

The Oliver neighborhood is located in east Baltimore, east of Greenmount Cemetery and south of North Avenue. A portion of the Old East Baltimore National Register Historic District falls within the plan area. Three Baltimore City Landmarks, New Life Missionary Baptist Church, Harford Commons, and Nazarene Baptist Church, are located in the plan area.

BACKGROUND

There are no previous Commission actions on this matter.

PROPOSAL

Bill 18-0244 Urban Renewal – Oliver – Amendment reauthorizes the plan’s powers of acquisition, which must be reauthorized every four years. HCD is actively acquiring properties identified in the Urban Renewal Plan. No new properties are being added to the existing list, but those already acquired are being removed through the amendment.

ANALYSIS

CHAP staff finds that the proposed amendments will have no impact on designated historic properties as the amendments address use and have no physical impact on locally designated historic resources.

Staff recommends a finding of no objection and deferment to Planning.

REQUEST: City Council Bill #18-0244 / Urban Renewal- Oliver – Amendment

For the purpose of amending the Urban Renewal Plan for Oliver to reauthorize the acquisition of properties within the Project Area, to extend the life of the Plan, and to remove certain properties from the list in Exhibit B; waiving certain content and procedural requirements; making the provisions of this Ordinance severable; providing for the application of this Ordinance in conjunction with certain other ordinances; and providing for a special effective date.

RECOMMENDATION: Approval

STAFF: Tamara Woods

PETITIONER(S): The Administration (Department of Housing and Community Development)

HISTORY

- The Oliver Urban Renewal Plan (URP) was established by Ord. #71-1067, dated May 17, 1971.
- Amendment No. 13, dated January 31, 2011, approved by the Mayor and City Council of Baltimore by Ordinance No. 11-449, dated May 26, 2011.
- Ordinance 14-296 was enacted on October 1, 2014 to extend the acquisition authority for four years.

ANALYSIS

Maryland Law Amendment: In July of 2007, an amendment to the Maryland Annotated Code, Real Estate, Title 12 was made that requires an action for condemnation to be filed within four years of an authorization for acquisition. If that cannot be accomplished, then the authorization must be renewed:

§ 12-105.1. Condemnation action to acquire private property.

- (a) Time limitation.- Notwithstanding any other provision of law, the State or any of its instrumentalities or political subdivisions shall file an action to acquire private property for public use by condemnation within 4 years of the date of the specific administrative or legislative authorization to acquire the property.
- (b) New authorization.- If an action for condemnation is not filed within 4 years of the date described in subsection (a) of this section, the State or any of its instrumentalities or political subdivisions may not proceed with condemnation until it first obtains a new authorization to acquire the property. [2007, ch. 305]

The effect of this change in the Maryland Annotated Code is that all Urban Renewal Plans (URPs) that have designated properties for acquisition and disposition that have not yet been acted upon now need to be expressly confirmed and reauthorized every four years, for the life of the URP. Therefore, since four years have nearly elapsed since the date of the previous reauthorization in 2014, amendments to several Urban Renewal Plans are necessary in order to reauthorize each URP's powers of acquisition and condemnation. With each reauthorization, those actions may legally continue beyond December 31, 2018 until December 31, 2022.

While these URPs are being amended, there are also technical amendments to some of the URPs to remove properties which have already been acquired and disposed of and an extension of the life of two of the URPs which would otherwise terminate on their own terms prior to the end of the reauthorization period. To that end, the Department of Housing and Community Development (HCD) has introduced a group of bills with the goal of adoption before the December 31, 2018 acquisition authority expiration, to ensure that the City's acquisition authority is seamless. In addition, City Councilmember Bill Henry has introduced a separate bill to extend the acquisition authority for the York-Woodbourne Urban Renewal Plan area. The group includes the following bills:

- City Council Bill #18- 0241- Urban Renewal - Druid Heights
- City Council Bill #18-0242- Urban Renewal - Broadway East
- City Council Bill #18-0243- Urban Renewal - Poppleton
- City Council Bill #18-0244- Urban Renewal - Oliver
- City Council Bill #18-0245- Urban Renewal - Park Heights
- City Council Bill #18-0246- Urban Renewal - Coldstream Homestead Montebello (aka CHM)
- City Council Bill #18-0247- Urban Renewal - Johnston Square - Amendment
- City Council Bill #18-0248- Urban Renewal - Middle East
- City Council Bill #18-0252- Urban Renewal - York-Woodbourne Business Area

Effects of the Bill: The changes proposed to this URP are technical in nature and are required to reauthorize the acquisition authority of the URP and to extend the life of the URP. The specific changes follow:

- In the Plan, amend C.1.c. to read: "c. THE AUTHORITY TO ACQUIRE THE PROPERTIES WITHIN THE PROJECT AREA IS EXPRESSLY CONFIRMED AND REAUTHORIZED THROUGH AND INCLUDING DECEMBER 31, 2022." This is the express reauthorization of the acquisition authority for the next four year period. This does not materially affect the purposes of the URP, and is required to comply with the requirements of the State of Maryland under the Maryland Annotated Code, as outlined above.
- In the Plan, amend D. to read: "THE OLIVER RENEWAL PLAN, AS AMENDED FROM TIME TO TIME, IS IN FULL FORCE AND EFFECT THROUGH AND INCLUDING DECEMBER 31, 2022." This extends the life of the URP which would otherwise terminate on its own terms prior to the end of the acquisition reauthorization

period. This is necessary to ensure that the acquisition authority can be extended for the intended four year period.

- In the Plan, in Exhibit B, delete two addresses from the list of properties. This action removes properties of which the City has already disposed. The properties to be deleted follows:
 - 1414 N. Bond Street
 - 1205 E. Preston Street

Community Notice: Article 13, *Housing and Urban Renewal*, is the section of the City Code that outlines the processes for establishment of and amendments to URPs. For new URPs, or major changes, § 2-6(d) outlines the notice procedures, and include postings within the neighborhood, and two newspaper notices (one per week for two weeks) prior to the first public hearing.

For amendments to URPs, under § 2-6(g)(3) the amending bills are required to go through the same procedure as for adoption, that is, a City Council ordinance process. However, “If the Planning Commission determines that the proposed amendment is a technical correction or a minor modification that would not substantially affect the Plan or the size, use, or disposition of any property subject to the Plan, the proposed amendment need not be posted or advertised as otherwise required by subsection (d) of this section.”

Minor Modifications: The amendments proposed to these URPs are necessary to extend the time allowed for the City to continue with implementation of these plans through the acquisition of designated properties. Additionally, where the city has already disposed of designated properties the acquisition and disposition lists have been updated to remove those properties.

Staff recommends that the Planning Commission first make and adopt the following finding:

- That the amendments to the URP as proposed in this bill are technical in nature, and they do not substantially affect the Plan, its size, or the use or disposition of any property subject to the Plan.

In addition, after making the finding of the technical nature of the bill, Staff recommends that the Planning Commission recommend approval of City Council Bill #18-0244.

Staff Notification: Staff notified 39 community organizations of today’s hearing, the City Council President and all of the affected City Councilmembers. In addition, the Department of Housing and Community Development set up a special email address for constituents that may have questions about their suite of bills. Also, on June 12, 2018, the Planning Department, in conjunction with the Department of Housing and Community Development, hosted a public informational meeting for the suite of Administration bills.

Re: City Council Bill 18-0244 – Urban Renewal – Oliver – Amendment

Dear President and City Council Members:

The Law Department has reviewed City Council Bill 18-0244 for form and legal sufficiency. The bill reauthorizes, for an additional four years, the currently existing condemnation authority for certain properties located in the Oliver Urban Renewal Area. Reauthorization is required to comply with Section 12-105.1 of the Real Property Article of the Maryland Code, which was enacted in 2007. This law terminated any then existing state or local condemnation authority as of July 1, 2011 and required that it be reauthorized. See 2007 Laws of Md., ch. 305, §3. The first reauthorization was done via City Council Bill 11-0646. This bill is the next required reauthorization of the existing condemnation authority for the Oliver Urban Renewal Area. The bill also seeks to remove two properties from Exhibit B to the Urban Renewal Plan and extend the life of the Plan for another four years.

Any changes in an Urban Renewal plan, such as these changes, must be made by ordinance. City Code, Art. 13, §2-6(g). Accordingly, the Law Department approves City Council Bill 18-0244 for form and legal sufficiency.

Very truly yours,

Re: City Council Bill 18-0244 - Urban Renewal – Oliver – Amendment ___

The Department of Housing and Community Development (HCD) has reviewed City Council Bill 18-0244 for the purpose of amending the Urban Renewal Plan (URP) for Oliver to reauthorize the acquisition of properties within the Project Area, to extend the life of the Plan, and to remove certain properties from the list in Exhibit B; waiving certain content and procedural requirements; making the provisions of this Ordinance severable; providing for the application of this Ordinance in conjunction with certain other ordinances; and providing for a special effective date.

If enacted, this bill would amend the URP for Oliver to extend the life of the Plan and reauthorize the Plan's powers of acquisition and condemnation for another four years, until December 31, 2022 so that these actions may legally continue, in compliance with § 12-105.1 of the Real Property Article of the Annotated Code of Maryland. Without this reauthorization, the authority to acquire property under the Plan will terminate on December 31, 2018.

The following two properties have been acquired and disposed of by the City and if the URP is amended, the properties would be removed from the URP:

Appendix B	Block and Lot
1414 N. Bond Street	1137 008
1205 E. Preston Street	1160 025

The renewal of the acquisition authority and the extension of the plan are important to assist with addressing the concentration of blight and facilitating the rehabilitation and reinvestment of the neighborhood in accordance with the Oliver URP.

The Department of Housing and Community Development strongly encourages the passage of City Council Bill 18-0244.

The Honorable President and Members
of the Baltimore City Council
c/o Natawna Austin
Room 400 – City Hall

I am herein reporting on City Council Bill 18-0244, introduced by the Council President at the request of the Administration (Department of Housing and Community Development).

The purpose of this bill is to amend the Urban Renewal Plan for Oliver to reauthorize the acquisition of properties within the Project Area, to extend the life of the Plan, and to remove certain properties from the list in Exhibit B; waive certain content and procedural requirements; make the provisions of this Ordinance severable; provide for the application of this Ordinance in conjunction with certain other ordinances; and provide for a special effective date.

Ordinance 71-1067 established the Urban Renewal Plan for Oliver. The Plan was last amended by Ordinance 14-296. The Area of the Plan is generally bounded by North Avenue on the north; Ensor Street on the west; East Preston Street on the south; and North Broadway on the east.

If approved, City Council Bill 18-0244 would amend the Urban Renewal Plan to reauthorize the Plan's powers of acquisition and condemnation for an additional four years (until December 31, 2022), so that these actions may legally continue in compliance with § 12-105.1 of the Real Property Article of the Annotated Code of Maryland. The Bill would also delete two properties from the list of Exhibit B, which is the list of properties to be acquired and disposed of for rehabilitation.

The Department of Public Works has no objection to City Council Bill 18-0244.
