The Honorable President and
Members of the City Council
Room 400, City Hall

DATE: August 15, 2009

Attention: Ms. Karen Randle

As proposed, City Council Bill Number 09-0374 would authorize a Revenue Bond Supplementary Capital Appropriation in the amount of \$17,000,000 to the Department of Transportation – (Account #9965-580-068) to pay for construction of the Front Street Garage.

Funds will be used to construct a 420 space public parking garage at the location bounded by Front Street, Low Street, Pothouse Alley and Groome Alley. The garage will be constructed with sufficient structural support so that two or three additional floors may be built either for parking or for occupable space.

The source of funds for this appropriation (\$17,000,000) will come from the Revenue Bond Fund.

The Department of Finance recommends approval of City Council Bill 09-0374.
