Hyatt Regency Baltimore Labor Peace Agreement

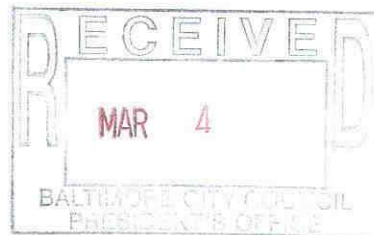

---

The Baltimore Development Corporation (BDC) has been asked to comment on City Council Resolution 13-0095R. This resolution discusses the role of the City and its relationship with the Hyatt Regency Baltimore, focusing specifically on employment protocols.

The Law Department is currently reviewing the nature of the agency relationships that will guide BDC's response to your request. The resolution raises a number of issues which require time and analysis, given the extensive history and numerous entities that have been involved in the project since inception. BDC respectfully requests that this Honorable Council allow the Law Department an opportunity to review the issues raised in the Resolution.

Upon the completion of the Law Department's review, BDC will provide a more detailed response regarding this matter.
