Re: City Council Resolution No. 08-0024R-Task Force on Noise Laws and
Enforcement

The Baltimore Police Department (BPD) supports the adoption of City Council Resolution No. 08-0024R-Task Force on Noise Laws and Enforcement. The establishment of a task force to study and propose recommendations for an encompassing noise law for Baltimore is needed. Currently, it is difficult to reconcile the agency responsibilities for enforcing the various statutes addressing noise. The BPD looks forward to participating and contributing in this process.
