The Department of Planning is in receipt of City Council Bill #11-0004, for the purpose of requiring certain late-night commercial operations to be licensed; defining certain terms; imposing certain penalties; providing for a special effective date; and generally relating to the licensing and regulation of late-night commercial operations.

The Department of Planning takes no position on City Council Bill #11-0004 and defers to the Department of Finance on this matter, as their agency is more directly impacted by this proposal.
