RE: City Council Bill 08-0132

I am herein reporting on City Council Bill 08-0132, for the purpose of permitting, subject to certain conditions, the establishment, maintenance, and operation of an open off-street parking area on the property known as 204 Clay Street, introduced by Councilmember William E. Cole IV at the request of Cecil Clarke.

The Baltimore City Parking Authority, Inc. reviewed the proposed legislation and has determined that the operation of this off-street parking area will not negatively affect any on-street or off-street parking programs under the Parking Authority's jurisdiction.

Based on the above comments, the Baltimore City Parking Authority, Inc. supports the passage of City Council Bill 08-0132.
