RE: City Council Bill No. 10-0434-Stormwater Management

The Baltimore Police Department (BPD) has reviewed City Council Bill No. 10-0434-Stormwater Management. This legislation would modify the provisions governing stormwater management to comply with State law and include requirements for the development, review, and approval of phased plans for stormwater management. Because this legislation does not impact BPD operations, we defer to the Department of Law and the Department of Public Works and stand willing to assist in the City's collective efforts in this area.

Thank you for the opportunity to comment on this legislation.
