March 14, 2012,

Honorable President Bernard C. "Jack" Young and  
RE: City Council Bill Report Request (12-0022R)

The Mayor's Office of Information Technology (MOIT) agrees with the Education and Youth Committee to automate the Baltimore City Public Schools data bases for YouthWorks program registration.

MOIT believes this function will not only ensure that all eligible youth are able to participate in the YouthWorks program, but also streamline the registration process from an intake perspective.

MOIT would like to state that there will be a cost associated with the implementation of this bill if this office will be involved in setting up the automation program. It will be necessary to meet with the Education and Youth Committee to get a greater understanding of the project scope.

Sincerely,

A handwritten signature in black ink, appearing to read "R. E. Minor III".

Robert E. Minor III  
Chief Information Officer  
Mayor's Office of Information Technology
