

MEMORANDUM

To: Nick J. Mosby, President, Baltimore City Council

From: Peter Little, Executive Director

Date: October 1, 2021

Subject: City Council Bill 21-0100

I am herein reporting on City Council Bill 21-0100 introduced by the Council President at the request of The Administration (Department of Transportation).

The purpose of this bill is authorizing the Mayor and City Council of Baltimore to grant 2 Perpetual Easements to the Maryland State Highway Administration for the maintenance of 2 storm water drainage inlets along Dulaney Valley Road, through the property of the Loch Raven Reservoir, in Baltimore County, Maryland, as shown on Plat 61536 filed in the State Highway Administration State Roads Commission; and providing for a special effective date.

The Parking Authority of Baltimore City (PABC) has reviewed the proposed legislation. The legislation does not reference parking. The area has been reviewed. There is no on-street parking along the adjacent curb segments of Dulaney Valley Road. The PABC does not manage any parking programs in the area. The proposed infrastructure improvements do not have a parking requirement.

Based on the comments above, the PABC does not oppose the passage of City Council Bill 21-0100.
