RE: Council Bill 09 - 0281

I am herein reporting on City Council Bill 09-0281 introduced by The Council President, Stephanie Rawlings-Blake at the request of The Administration (Department of Public Works)

The purpose of this bill is authorize the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in certain parcels of land known as the former beds of certain streets or portions of them lying within the Middle East Urban Renewal Project, bounded by Ashland Avenue, McDonogh Street, Chase Street and Washington Street and no longer needed for public use; and providing for a special effective date.

The Baltimore City Parking Authority, Inc. reviewed the proposed legislation and determined there would be no negative fiscal or operational impact to any of the City's on-street parking programs and/or City - owned off-street parking facilities.

Based on the above comments, the Baltimore City Parking Authority, Inc. supports the passage of City Council Bill 09-0281.
