City Hall, Room 408**

February 2, 2021

FOR the purpose of inviting the CEO of the Baltimore City Public School System to provide the City Council with an update regarding safety precautions the School System is taking for the return of students to in-person schooling and inviting representatives from the Baltimore City Fire Department, Health Department, and Department of Housing and Community Development to comment on the adequacy of those safety precautions.

The Baltimore City Fire Department has no objections to City Council Bill 21-0012R. However we do not believe our agency has any specific involvement with the process of safely returning to in-person instruction.
