RE: Council Bill 09 - 0343

I am herein reporting on City Council Bill 09 - 0343 introduced by Council President Rawlings-Blake at the request of the Department of Legislative Reference.

The purpose of the Bill is to correct certain technical errors and omissions in the City Code; repealing certain obsolete or otherwise unnecessary provisions; correcting, clarifying, and conforming certain language; and providing for a special effective date.

By repealing and re-ordaining, with amendments Article 31 Transit and Traffic Section(s) 10-23(a)(1), 10-23(b), 10-29(b)(1), and 10-48; Subtitle 9 – Land and Tenant; Section(s) 9-15

The Baltimore City Parking Authority has reviewed Corrective Bill 2009 and determined there would be a positive impact to the current Residential Permit Parking Program administered by the Parking Authority and no impact to either the metered parking program or City-owned off-street parking facilities.

Based on the comments above, the Baltimore City Parking Authority, Inc., supports the passage of City Council Bill 09-0343.
