Re: City Council Bill 26-0183 – Supplementary State Fund Operating Appropriation – Baltimore
City Sheriff's Office – \$121,308

Dear President and City Council Members:

The Law Department reviewed City Council Bill 26-0183 for form and legal sufficiency. The bill provides a Supplementary State Fund Operating Appropriation in the amount of \$121,308 to the Baltimore City Sheriff's Office – Service 882 (Deputy Sheriff Enforcement), to provide funding for diversion services, treatment access, and overdose response within the Sheriff's Office. The bill would take effect on its date of enactment. The supplemental appropriation would fund the "Safe Pathways COAP (Comprehensive Opioid Use Site-based Program through Governor's Office of Crime Prevention and Policy's Comprehensive Opioid Use Site-based Program) initiative, which will expand diversion, improve treatment access, and improve overdose response."

Council Bill 26-0183 identifies the revenue appropriated as "a grant from the State of Maryland's Governor's Office of Crime Prevention and Policy in excess of the revenue relied on by the Board of Estimates in determining the tax levy required to balance the budget for Fiscal Year 2026." The grant could not have been expected with reasonable certainty at the time the Ordinance of Estimates for Fiscal Year 2026 was formulated, and the bill has been recommended by the Board of Estimates to the City Council. The Council bill cites as authority for the supplementary appropriation Section 8(b)(2)(ii) of Article VI of the City Charter. This section provides that grants from private or governmental sources that could not be expected with reasonable certainty at the time the Ordinance of Estimates was formulated may be made available to the appropriate municipal agency for expenditure.

A supplementary appropriation must be recommended by the Board of Estimates and approved by the Mayor and City Council via an ordinance. The ordinance must identify the source of the funds and may only involve a "single program, purpose, activity or project." City Charter, Art. VI, § 8(c). Since the bill meets these requirements, the Law Department approves it for form and legal sufficiency.

Very truly yours,
