The Baltimore City Office of Information & Technology (BCIT) has reviewed Council Bill 21-0075: Study and Report - Sewage Backup Expedited Reimbursement and Direct Assistance Program. The purpose of this bill is to require that the Baltimore City Department of Public Works submit a report to the Mayor and City Council studying the feasibility of implementing an expedited reimbursement and direct assistance program for any sewage backup, not limited to wet-weather, capacity-related causes; requiring certain agency assistance; and providing for a special effective date.

The Law Department, Baltimore City Information Technology, the Baltimore City Health Department, and the Mayor’s Office of Emergency Management shall assist the Department of Public Works in the preparation of the required report mentioned above.

BCIT has reviewed this legislation and welcomes the opportunity assist DPW with the report by providing data, feedback, or review.

If you have any questions, please contact Leyla Layman, Chief of Staff, at (443) 202-4511.
