The Honorable President and
Members of the City Council
Room 400, City Hall

October 23rd, 2017

City Council Bill #17-0129 was created for the purpose of authorizing the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in a certain property known as the former bed of a portion of a 10-foot alley, and no longer needed for public use; and providing for a special effective date.

The property is described as a 10-foot alley lying between North Milton Avenue and Rose Street, extending to the west outline of the property known as 2439 North Avenue, containing 1,072 square feet.

Since this property is no longer needed for public use, and there were no objections from various city agencies to declare the property as surplus, and since there is not a significant fiscal impact, the Department of Finance has no objection to the passage of Council Bill 17-0129.
