TO
 The Honorable President and Members
 of the City Council

 Room 400 City Hall

January 3, 2011

I am herein reporting on City Council Bill 10-0621.

The purpose of this bill is to modify the parking limitations within the Morgan Residential Parking Area. The modifications presented in this bill clarify that non-permitted parkers in a certain area around the Morgan State University campus cannot park for longer than an hour on neighborhood streets without an appropriate Residential Parking Area permit. After an hour, all non-permitted parkers must leave the vicinity, and may not relocate to another spot within the same neighborhood.

The Department of Transportation supports this bill because it satisfies the need to restrict limited parking availability for residents in the Morgan Residential Parking Area. It also appropriately meets the intent of the Residential Permit Parking Program to prevent drivers from simply relocating their vehicles to another parking spot within the same neighborhood every hour or two. For these reasons, the Department respectfully requests that the Committee and Council grant this bill a favorable outcome.

Respectfully,

Khalil A. Zaied
 Director
