City Council Bill #08-0081R is a resolution that requests the Baltimore Police Commissioner to report to the City Council on the status of recruitment efforts to maintain or increase the number of sworn police officers on the Baltimore Police Department force, the effect of looming budget cuts on maintaining an appropriate level of deployment in all divisions of the department and attempts to recruit Baltimore City high school graduates to participate in the Police Cadet program.

The Department has no objection to this resolution. A response has been submitted on behalf of both the Mayor's Office of Criminal Justice and the Baltimore Police Department (BPD) outlining BPD's recruitment efforts. This response addresses information requested in City Council Bill 08-0081R.
