Re: **City Council Bill 12-0060 – Sale of Property – Former Bed of Toone Street**

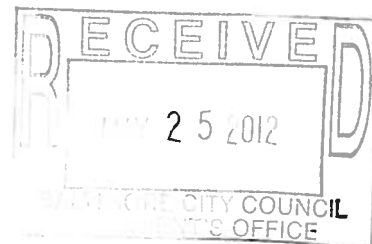

The Department of Housing and Community Development has reviewed City Council Bill 12-0060, which was introduced for the purpose of authorizing the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in a certain parcel of land known as the former bed of Toone Street, extending from Ponca Street easterly to the Right of Way Line of Interstate Route No. 895 (Baltimore Harbor Tunnel) and no longer needed for public use; and providing for a special effective date.

This bill is related to the site assembly of and the authorization to sell a portion of a public right of way—Toone Street—for a portion that runs between Ponca Street and dead-ends at Interstate 895. Specifically, this bill would authorize the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in the subject property.

The Department of Housing and Community Development has no objection to the adoption of City Council Bill 12-0060.
