	SUBJECT	City Council CCB13-0190 Wastewater from Hydraulic Fracturing

CITY of
BALTIMORE
MEMO

TO

DATE:

March 1, 2013

Honorable President and
Members of the City Council
C/O Karen Randle
Room 409, City Hall

CCB13-0190 Wastewater from Hydraulic Fracturing prohibits any storage, treatment, discharge or disposal of any back flow or other wastewater from hydraulic fracturing within the City.

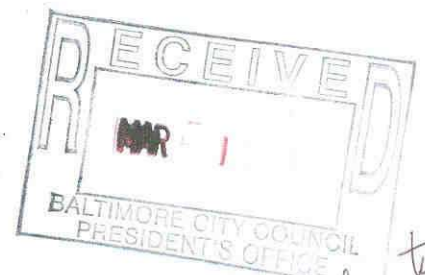

Fiscal Impact

The Finance Department is not aware of any operations that are currently taking place that would incur this penalty and therefore believes there to be no fiscal impact. Instead it appears to be a preventive measure designed to prohibit the introduction of such wastewater into the City and its systems in the future.

Recommendation

The Department of Finance defers to the Department of Public Works on this bill.
